Jane,

I am being a real pill here. I forgot that I have contractors coming to my house on Nov 3rd – a job I have had scheduled for several weeks, so I have to work at home on the 3rd. The 4th or 5th would work.

Hi Laura. I checked Kathleen's and my calendars. Best days for us to travel to Sacramento are Nov. 3 or 5. Nov. 4 may also be possible. The prior week, which I know you said is pretty packed for you, is pretty booked for us, but Oct. 29 may work.

Hi Jane,

Attached is the proposed response plan to EPA's comments that we shared with you and discussed at today's meeting. Please let me know if we have missed any topics or concerns, and then we will begin scheduling a series of policy and technical level meetings to work through all the issues. I will look for a time the week of October 27 or November 3 for our first policy meeting.

It was a pleasure meeting you and I look forward to working with you.

Best,

Laura
